

Production Tool Company of Cleveland, Inc.

This is our second "Tool of the Month" newsletter and we are very pleased by the response to the first one. The next few issues will feature special application assembly tools that reduce or eliminate damage to the finished surface of your product. Please watch for these editions.

For anyone who did not receive their personal copy, please fill out the information on this page and fax it back to us at 330.425.1584.

Please note our offer of a **FREE** gap gage for you and/or a quality-minded associate. This gage is a short series "stacked" with 1MM, 1/4MM, 2MM and 4MM leaves. This offer is open to anyone who would be interested in receiving our newsletter.

To receive your next newsletter and/or obtain a **FREE** gap gage, please fill in the information and fax it back to 330.425.1584.
